This matter came on regularly for hearing before a Panel of the 11th District Medical Quality Review Committee at Torrance, California, on July 14, 1988. W. F. Byrnes, Administrative Law Judge of the Office of Administrative Hearings, presided at the hearing. Panel members present were:

I

Petitioner Margarita Keusayan, M.D., was issued Physician's and Surgeon's Certificate number A-31710 on or about November 22, 1977.

II

A. Effective December 27, 1985, pursuant to stipulation, petitioner's license was revoked by the Board, with the revocation stayed during a five year probationary period on specified terms and conditions.

B. Petitioner's petition for termination of probation is now pending.

III

Petitioner has now established that she is rehabilitated to the extent that it would be consistent with the public interest to terminate her probation at this time.
